Are you ready to improve your financial well-being? Record your daily and weekly activities on this Challenge Ledger. Your goal is to score 3,000 points in 4 weeks. You will keep the weekly worksheets to form the foundation for a personal financial plan. Here is how you earn points:

DAILY: Earn up to 100 points a day for recording a Daily Saving Activity. These activities include packing a lunch for work instead of eating out, skipping your morning drink at the coffee shop, walking or biking to work instead of driving, or anything else that enables you to avoid an expense that has become common for you.

WEEKLY: Complete the worksheet for each week to earn 250 bonus points.
